CYBERSTALKING & CYBERBULLYING

Checklist for

Families

1. ONLINE BEHAVIOR AND PRIVACY

- ☑ Teach children never to share full name, address, school, phone number online.
- ☑ Review friend lists regularly and block/report unknown or suspicious contacts.
- ☑ Discuss what is appropriate to share online and what is not (photos, videos, messages).
- ☑ Monitor and limit social media and gaming platform use; many platforms have minimum age requirements.

2. PARENTAL CONTROLS AND MONITORING

- ☑ Use built-in parental controls on devices (smartphones, tablets, computers) to limit screen time and filter content.
- ☑ Install reputable child-safe browsers or apps that restrict access to harmful content.
- ☑ Enable activity reports to monitor websites visited, messages, and app usage.
- ☑ Set rules for device usage times, eg. no devices after bedtime or during homework.

3. RECOGNIZE AND RESPOND TO CYBERBULLYING

- ☑ Watch for signs: reluctance to use devices, sudden changes in mood or behavior, withdrawal from activities.
- ☑ Save evidence of bullying: screenshots, messages, URLs.
- ☑ Teach children how to block and report abusive users on apps and games.
- ☑ Maintain open communication so kids feel safe reporting cyberbullying.

4. SAFE ONLINE INTERACTIONS

- ☑ Educate children about the dangers of talking to strangers online.
- ☑ Disable or limit chat functions in games and apps for younger children.
- ☑ Avoid location-sharing features or geotagging in apps.
- ☑ Use kid-friendly platforms that have strict moderation and safety policies.
